**Report**

Department of Chemistry, Yashwantrao Chavan Mahavidyalaya, Islampur organized a Industrial visit to “Rajarambapu Sugar Factory, Rajaramnagar, Urun-Islampur” for B.Sc. – III Chemistry Students on 14<sup>th</sup> Dec 2023. Students also visited the liquor department of the factory.

The journey to the visit started at 10.30 a.m. from college premises. The authority showed the factory and gave information about all the manufacturing processes of making sugar from sugarcane. Total 18 students and 4 staff members were visited the factory under the observation of Head of Department Asst. Prof. Priyanka Patil, Asst. Prof. Sayali Kulkarni, Asst. Prof. Snehal Patil, Lab Asst. Sandip Valase.

Then we visited the Co-generation power plant of the factory. Students collected the information about power plant. Last we visited to Liquor project of the factory. The members of the department interacted with students. After collecting information of liquor project, the visit was ended there.

The information got was useful to understand the concept of waste management, reuse and recycle. Students were interacted to speaker and tried to clear all their doubts. Head of Department Asst. Prof. Miss. P. V. Patil thanked to authority for giving permission and helping to give information to students.

Asst. Prof. Priyanka Patil  
Head  
Department Of Chemistry
